PRAYS FOR A WRIT.

Curtis Jett, Charged With the Murder of Attorney Marcum, Filed a Petition.

TEN WITNESSES TO BE SUMMONED

The Writ is Made Returnable Tuesday Morning and is Against the Jailer at Jackson.

This Proceeding Throws the Prosecution on the Defensive When it is Not Altogether Prepared For It.

Lexington, Ky., May 12.—Curtis Jett, in jail at Winchester on the charge of murdering J. B. Marcum, at Jackson, Monday filed a petition praying for a writ of habeas corpus. The writ was issued and made returnable Tuesday at 10 a. m. The jailer, against whom the writ is issued, had subpoenas drawn for B. J. Ewen, Dr. Kash, Kelly Kash, James Hargis, Sheriff Ed Calahan, Elijah Noble, Wm. Combes, J. M. Patrick, S. S. Taulbee and W. H. Blanton, all of Jackson.

These men were either witnesses to the assassination or in positions from which they might have seen the assassin. The witnesses can not reach Winchester Tuesday morning and it is likely that the hearing will be continued until Wednesday.

If the witnesses refuse to come on subpoenas, the refusal of several being expected, attachments will be issued and they will be brought. The habeas corpus proceedings throws the prosecution on the defensive when it is not altogether prepared, but it is believed that sufficient evidence will be presented to preclude Jett's liberation.

SMALL RACE RIOT.

Four Negroes Were Killed in a Fight With Whites in Louisiana.

New Orleans, May 12.—There was a little race riot in St. Tammany parish, about 50 miles from this city, Saturday night. An insolent Negro was beaten with an ax handle by a white grocery clerk. The Negroes armed and a pitched battle with white citizens followed in which four Negroes, one of whom was the aggressor, were killed. Peace was then restored. The affair took place in the logging camps out of the line of communication.

FLAMES IN COVINGTON.

Three Large Warehouses Burned With Loss of \$60,000.

Covington, Ky., May 12.—A disastrous fire occurred in this city Monday night, entailing a loss of nearly \$60,000. About 11:15 p. m. three tobacco warehouses which were used for re-drying purposes, were discovered to be on fire.

Two warehouses belonging to Dr. Henry Freidman and another adjoining, which belonged to the Dan McNamara estate, were in flames. The firemen worked hard, but the flames had gained too much headway before they reached the scene, and the buildings and contents were a total loss.

One of the Friedman buildings was used by the Universal Tobacco Co., of New York, and was stored with fine burley tobacco, to be used in making cigarettes. The building and contents were totally destroyed. The loss will amount to \$40,000 on the tobacco, which is fully covered by insurance. Another if the Friedman buildings was stored with leaf tobacco owned by Dr. Freidman, and was a total loss. The stock in this building was valued at \$8,000, with \$6,000 insurance.

Jerry Armstrong, a tobacco speculator, had the McNamara building leased and had the building filled with leaf tobacco, which was also a total loss. The stock was valued at \$6,000, and was fully covered by insurance. The three warehouses that were burned were partially covered by insurance.

These buildings were in the immediate neighborhood of the E. O. Eshelby Tobacco Co.'s big new building.

This building and several in the immediate neighborhood were severely scorched, but were saved by the good work of the fire department without any material damage.

The loss on the buildings is estimated to be about \$5,000, and the amount of insurance is not known.

Sued For Millions.

Action Entered Against the Southern Pacific Railway Co.

Louisville, Ky., May 12.—Suit was entered Monday afternoon in the county court by Revenue Agent W. L. Weller, jr., against the Southern Pacific Co. for nearly \$3,000,000 claimed to be due for taxes, with 20 per cent. penalty added for non-payment, on the company's personalty for the past five years.

The suit was filed by Maj. D. W. Sanders and Attorney Wm. B. Thomas, who represent Weller.

The petition states that, although the Southern Pacific Co. is a Kentucky corporation, it has never been taxed here on its personalty; in fact, it has never been assessed. It is claimed that its personalty in 1898 was valued at \$75,000,000, and in the succeeding years it has increased until in 1902 it was valued at \$92,280,500.

W. B. Thomas, one of Mr. Weller's attorneys, says the suit is not an attempt to tax the stock or property of the Southern Pacific Co. itself, but is an attempt to tax the stock of other corporations which is owned by the Southern Pacific Co. Mr. Thomas holds that all Southern Pacific property is taxable in this state, and not elsewhere.

LOVELY FLOWERS.

Women Carried Loads of Blossoms to the President's Special Train at San Jose.

EVERY NOOK IN CAR PILED HIGH.

The Head of the Nation Slept in a Rich Bed of Petals and Oriental Distillations.

Traversed the Beautiful Santa Clara Valley After Crossing the Santa Cruz Mountains—Saw a Grove of Sequoias.

San Jose, Cal., May 12.—President Roosevelt Monday traversed the beautiful Santa Clara valley after crossing the Santa Cruz mountains and Monday night slept in his car in San Jose. From Del Monte the president circled around Monterey bay to Santa Cruz, then crossed the coast range, halting long enough on the way to see a grove of sequoias, passed up the Santa Clara valley through vast fields of sweet peas and verdant orchards to the metropolis of the prune industry to San Jose, ancient capital of the country of California.

Enthusiastic receptions greeted the president at every station. People came from miles around to see the head man of the nation. The president was almost astonished at the beauties of the region which he traversed. At San Jose great preparations had been made for the reception of the president. Flowers had been cast broadcast and women carried loads of blossoms to the special train. Every nook of the president's car was piled high with gorgeous, sweet flowers, and Monday night Mr. Roosevelt slept in a rich bed of petals and oriental distillations.

At Santa Cruz thousands of school children waved flags and cheered. Flowers were strewn about in profusion and the buildings were masses of colors.

A special train bore the presidential party to a grove of big trees at Felton, in the foothills. There an open air luncheon was served by a score of California's beautiful young women.

Then some one told the president that the Spanish beans served at the luncheon had been cooked by Mrs. J. M. Gesetterest, mother of 34 children. Roosevelt laughed heartily and said that Mrs. Gesetterest should be elected president of some society, he did not know exactly what one.

The reception committee at San Jose took Mr. Roosevelt for a drive through the valley. Through miles of prune, peach, apricot, cherry, nectarine, plum and pear orchards, through winding lanes of fig trees, olive ranches and vineyards, over sprinkled and paved roads, under the glistening white dome of Lick observatory on Mount Hamilton the cavalcade rode while the president saw more fruit than he had ever seen before. But all was green except for cherries, and of these he ate a plenty.

Richmond, Va., May 12.—A check was received Monday night from former President Grover Cleveland for the benefit of the fund for the erection of a monument to Gen. J. E. B. Stuart, the famous confederate cavalry leader. THREE ELEMENTS.

In Colombia There is Much Opposition to the Ratification of the Canal Treaty.

IT GIVES US PERPETUAL CONTROL.

The Indemnity and Annuity is Not Considered Sufficient by Some of the Colombians.

Revolutionary Spirits Fear That With Treasury Enriched \$10,000,000, the Government's Strength Would Be Greatly Increased.

Washington, May 12.—Private advices from Colombia state that there are three elements opposed to ratification of the Panama canal treaty. One element antagonizes the feature giving the United States perpetual control, another urges that the indemnity and annuity is not sufficient and the third element consists of revolutionary spirits who fear that with the Colombian treasury enriched by \$10,000,000 the government's strength will be so increased as to destroy all hope of success from any revolutionary movement. Mr. Herran, the Colombia charge d'affaires here, is without official information regarding the attitude of a majority of the members-elect to the congress.

When the Colombia congress is convened, June 20, there will be just one month for consideration of the treaty and such other matters as may be called before it by the president, as the regular session meets July 20. If the president sends the treaty to congress first under Colombia's rules of procedure no other subject can be considered until that is disposed of. Reorganization of the finances is the next most important matter before the Colombian government, and as the determination of the question of the treaty has an important bearing on the finances it is assumed here that the treaty will be sent to congress first in order that it may be known whether the government's finances are to be enriched by the addition of \$10,000,000 or whether the congress must proceed on the basis of the government's present financial condition.

Gen. Hains, a member of the Isthmian canal commission, who has just returned from the Isthmus, says that fever is prevalent there and that it is quite dangerous to white men. He says it is either yellow fever or such a malignant type of malarial fever as to be as bad as yellow fever. The condition can be improved, but it would require control by the government of sanitary measures. He thinks it would take about a year to place the canal region in proper sanitary condition.

COMPRESSED POWDER.

It Will Be Substituted For Black Powder in the Ignition of Charges.

Washington, May 12.—Compressed powder will be substituted for black powder in the ignition of charges of the guns of the vessels of the North Atlantic squadron which are now repairing at the New York yard. This change is made to avoid the smoke encountered in the use of black powder and will be affected when the ammunition is received from the ships when they go into docks. Repairs also will be made to the cartridge bags and there will be a reapportionment of ammunition throughout the fleet.

PHILIPPINE FRIARS.

Petition Signed By Filipino Women Asks For Their Retention.

Manila, May 12.—A petition, signed exclusively by Filipino women, has been presented to Archbishop Guidi, the apostolic delegate in the Philippines, asking for the retention of the friars. It declares that no reason exists for their expulsion, asserts that the withdrawal will leave hundreds of parishioners without spiritual advice and charges that a small minority is responsible for the anti-friar movement.

Canal Company's Offer to Colombia.

Sunday night in the First Presbyterian Church, that Rock of Salvation, which has stood for so many years at Court and Third streets, proclaiming through its bell and spire the gospel of Jesus Christ, while its sacred walls have solemnly stood to house the hundreds who have grown up to love, honor and obey the commandments of God, the gospel of Christ and the power of his holy spirit, occurred a service marking an epoch in its history. Indeed, the scene witnessed is unparalleled in our Christian experience, for three preachers stood together in the pulpit as shining lights of that denomination's effort to do His work, all products of this Zion. Rev. Maurice Waller, the veteran servant of God, read the scripture lesson, the ninetyeth psalm, and prayed, Rev. Dr. Barbour, the beloved pastor, presided, while Rev. Horace C. Wilson, of Mishawaka, Ind., preached the sermon and pronounced the benediction. He the youngest and back to his home city for his initial sermon before his people. The music was particularly fine, for Mrs. Barbour is as deft and skillful at the organ as she is capable along other lines. The quartette choir was at its best, and in its anthem and hymns raised one up to the very ecstasy of delight. The Rev. Wilson was fine. His text was "How old art thou?" from Genesis. His discourse was splendid, and we predict that in a short future this young man will be one of the leading spirits in the great church he is identified, yea his friends prophecy he will some day crown his career with the exalted seat, moderator of the General Assembly of the Presbyterian Church in America, a session of which is about to convene in Los Angeles and to which Rev. Dr. Waller goes this week as the delegate from Ebenezer Presbytery.

As an entertainer and a musician he is par excellence, and he is down on the program to be rendered before that august body, for a tenor solo. His first selection will be 'Totem, or the Plea of Pocahontas,' which was composed by a local author and dedicated to the Red Men of America. This piece was first rendered by Dollie B. Williams, the Pocahontas of King Philip Tribe No. 48 at their entertainment here, and made the hit of the season."

Col. Craddock on Board of Trade Banquet.

[Paris Kentuckian.] The banquet of the Board of Trade Club of Maysville Thursday night was a most successful affair. The New Central Hotel had a fine feast, and although, true to the invitation, no stimulants were used, none was needed to create great enthusiasm. President John Duley was the right man in the right place, and while the Maysvillians were all very happy in their speeches, yet young Mr. Hennessey of Augusta who happened there, carried off the honors as a speaker.

LOOK Before You LEAP!

Variety in a store's assortment is essential. We cannot all wear the same thing. A style that appears appropriate and becoming to one lady will be just the reverse if worn by another.

One of the advantages of buying a ready-made skirt is that you can try it on before buying it. Many a woman has selected a piece of goods to have a skirt made from, and has afterwards hated it every time she put it on.

You can come to us and get a Skirt right off the rack that will realize your fondest hopes, and cost you but a moderate sum. Skirts of handsome fabrics, tastefully trimmed, skillfully tailored, stylishly cut and with a fit such as thousands of dressmakers and tailors sigh for but never reach. We doubt if there is a town in the county (our size) that has a reputation on skirt such as we have.

HARD TO EXPLAIN.

If This Had Occurred Anywhere Else Than
Maysville Our Readers Might
Doubt It.

It's hard to explain how the public can continue to doubt in the face of such evidence. If this were published anywhere else than in Maysville; if the statement given below went the rounds of the press, readers in Boston or New Orleans might doubt it. But it's very different when the testimony given comes from a friend, perhaps a neighbor. It is public expression of a local citizen, and can be easily investigated.

Mr. Larmon Dawson, residing at 934 East Second street, says: "The quick relief from pain in my back which followed the use of Doan's Kidney Pills, proved them to possess remarkable powers. I procured them at J. Jas. Wood & Son's drug store, corner of West Second and Market streets. From the satisfactory results obtained I can advise all in need of a kidney medicine to give Doan's Kidney Pills a trial."

CAPTAIN JOHN A. MILLER.

Sudden Death of Gallant Confederate Veteran at Atlanta—His Wife a Daughter of Late James H. Hall.

Mr. Samuel M. Hall received a telegram Monday forenoon bringing the sad intelligence of the death of his brother-in-law, Captain John A. Miller, of Atlanta, Ga. Captain Miller's death was very sudden and unexpected, resulting from the rupture of a blood vessel. The BULLETIN had a brief mention Monday of the death of his little granddaughter, Mary Hall Raines.

Captain Miller was fifty-six years of age, and was one of the bravest and most gallant veterans of the "Lost Cause," having served as a member of Company C, Ninth Kentucky Cavalry, Colonel Breckinridge's command. He was a native of Millersburg. During the Confederate reunion at Atlanta a few years ago he entertained twenty-one of his old comrades in arms at his handsome and hospitable Southern home. His wife, who was Miss Mary Hall, youngest daughter of the late James H. Hall, survives him, with four children. A singular coincidence in connection with his death is that it occurred on the twenty-eighth anniversary of his marriage.

The remains will be laid to rest in Atlanta.

Robert Lee Grayson, of Murphysville, and Miss Emma Bryson, of Mayslick, were married Monday by Judge Newell.
